

NON PROFIT PACKAGE HIGHLIGHT SHEET

Our Non Profit Package department focuses on providing competitively priced packaged products to nonprofit organizations with the ability to purchase these coverages through one Application, one quote and one policy.

Non Profit Package Products

► Specialty Non Profit Package:

Our specialty package targets chambers of commerce, charitable foundations and trade associations along with other nonprofit office based risks. These organizations can package directors and officers liability/employment practices liability coverage with a preferred package including special events and liquor liability.

► Social Services:

Our product targets a broad range of nonprofit community service organizations such as animal shelters, Big Brother-Big Sister, caregivers (non-medical), counseling and referral agencies, food banks/soup kitchens, hospices, thrift stores, transitional housing, vocational sheltered workshops, and more! These organizations will have the opportunity to package general liability, abuse and molestation, social service professional, hired and non-owned auto, property, directors and officers employment practices liability and special events coverage all in one policy!

► Storefront/Community Churches:

We insure houses of worship of all types. We offer an abuse and molestation sub-limit and pastoral professional within the general liability. Coverage options include general liability, property, abuse and molestation, and directors and officers employment practices liability.

► Youth Sports Organizations:

This product has been specifically designed for nonprofit youth sports organizations offering minimal contact sports, including but not limited to: baseball, basketball, soccer, softball, lacrosse, tennis and golf for athletic participants 18 years of age and under. We are able to provide general liability, property, abuse and molestation, assault or battery, inland marine, directors and officers and employment practices liability coverage all on one policy!
