

American Reliable Insurance Company

i·Reli[®]

***Connecticut • Manufactured Home
Program Bulletin***

Effective: 04/15/2015 New 04/15/2015 Renewal

The following program changes have been made:

- The base rates have increased 4.9%
- Base rates were only changed in the Special Program.

i-Reli System Improvements / Form Changes

- A Summary Application Button has been added which will provide a printed copy of the completed iReli Application.
- iReli has been updated to remove coverage screen refreshes to create a faster and more efficient Application process.
- Replacement Cost Estimator is now available as an optional feature during the iReli Quick Quote process.

Our Manufactured Home Program Advantages

- Earthquake coverage subject to a 10% Coverage A (\$1,000 minimum) deductible is provided in all programs for no additional premium.
- Flood Coverage subject to a 5% Coverage A (\$1,000 minimum) deductible is provided in all products for no additional premium.
- Low Coverage A limits starting at \$1,000 for the Special and By-Line products or \$5,000 for the All Purpose product.

If you have any questions regarding these changes, or to request more program materials, please contact your General Agent.
