New Hampshire Manufactured Home Program Updates!

Dear New Hampshire Agent,

We have made changes to our current American Reliable Insurance Company Manufactured Home Program that will go into effect 10/15/2014 for new and renewal business. This bulletin will outline most of the changes. You may also want to review the New Hampshire Manufactured Home Program i-Reli Manual.

The following program changes have been made:

- The base rates have increased 7.1%
- We added two Territories:
 - Territory B consists of the counties of Carroll, Coos, and Grafton and will rate the highest of the three territories.
 - Territory C consists of Rockingham County and will rate below Territory B and more than Territory A.
- Limits for all programs have been updated to allow risks with a value from \$1,000 to \$175,000.

I-Reli Improvements

- A Summary Application Button has been added which will provide a printed copy of the completed iReli Application.
- Replacement Cost Estimator is now available as an optional feature during the iReli Quick Quote process.

If you have any questions regarding these changes, please contact your General Agent. You can also contact your General Agent for additional i-Reli guides.

Sincerely,
